

September 10, 2009

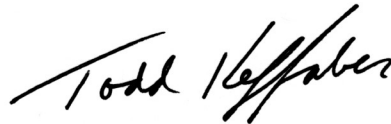

**Compliance to the Buy American Clause of the
American Recovery and Reinvestment Act (ARRA) of 2009**

**FAST, FTSS and FTSAS STAINLESS STEEL
And
FTS/FTSC CARBON STEEL
TAPPING SLEEVES**

This is to certify that all style FAST, FTSS, FTSAS, and FTS/FTSC fabricated tapping sleeves are made in the USA. All manufacturing shall be performed by the Ford Meter Box Company, Inc., in our factory located in Pell City, Alabama, United States of America in accordance with the American Recovery and Reinvestment Act (ARRA) of 2009 and the Environmental Protection Agency (EPA). All tapping sleeves are manufactured in compliance with AWWA Standard C223-07.

The Ford Meter Box Company is registered by Underwriters Laboratories, Inc. to the International Standards Organization for the ISO 9001-2000 standard for quality. This is one of the most comprehensive standards within the ISO series, which establishes a model for quality assurance in design/development, production, installation, customer service and satisfaction.
