

June 8, 2005

To Whom It May Concern:

This is to inform interested parties that the Product Certification Program at Underwriters Laboratories, Inc. related to Plumbing, Piping Products and Water Quality is included in the list of scopes that has been accredited by the American National Standards Institute (ANSI).

The scopes of Plumbing, Piping Products and Water Quality accreditation include the assessment of conformity to the requirements of the ANSI/NSF 61 Standard – Drinking Water System Components – Health Effects.

Should you have any questions on this matter, please do not hesitate to contact me directly (202 331-3611) or e-mail (rfigueir@ansi.org).

Sincerely,

A handwritten signature in black ink, appearing to read "RBF", with a period at the end.

Reinaldo B. Figueiredo
Program Director, Product Certification Accreditation
